Content

| | |
|--|-----|
| Introduction | 2 |
| 1. General Resources for Work and Learning | 7 |
| 1.1. Research Methods for Studying Learning and Work Relations | 7 |
| 1.2. Compendium of Surveys on Learning and Work | 21 |
| 1.3. Case Studies of Learning and Work | 82 |
| 2. Work | 99 |
| 2.1. General Perspectives on the Changing Nature of Work | 99 |
| 2.2. Assessments of "Knowledge-based Economy", "Post-Industrial Society", "New Economy" and Economic Globalization | 124 |
| 2.3. Changes in Paid Work and Employment Statuses | 138 |
| 2.4. Changes in Household Work | 161 |
| 2.5. Changes in Community Volunteer Work | 190 |
| 3. Learning | 212 |
| 3.1. Lifelong Learning – General Perspectives on Learning in Contemporary Society | 212 |
| 3.2. Formal Education, Schooling | 235 |
| 3.3. Adult/Further/Continuing/Non-formal Education, Formal Training | 245 |
| 3.4. Informal Education/Training | 261 |
| 3.5. Informal Learning, Self-directed Learning | 273 |
| 3.6. Prior Learning Assessment and Recognition | 284 |
| 4. Work and Learning | 308 |
| 4.1. General Perspectives on Learning-Work Relationships | 308 |
| 4.2. Employment and Education/Formal Training, Apprenticeships | 336 |
| 4.3. Employment and Informal Education/Informal Learning | 369 |
| 4.4. Unpaid Work and Learning | 385 |
| 4.5. Education-Job Requirement Matching (Underemployment and Underqualification) | 394 |
| 4.6. Power Relations and Social Inequality in Work and Learning | 433 |
| 4.7. Work and Learning and the Labour Movement/Unions | 450 |
| 4.8. School-to-Work Transitions | 470 |
| 4.9. Work and Learning through the Adult Life Course | 493 |
| 5.0. Other Topics in Learning and Work | 505 |
| 5.1. Technological Change, Learning and Work | 505 |
| 5.2. Immigrants, Work and Learning | 519 |
| 5.3. Disability, Work and Learning | 529 |
| 5.4. Working Conditions, Stress & Learning: Teachers & Other Workers | 552 |
| Index of Authors | 585 |
| Index of Keywords | 599 |

Index of Keywords

| | | |
|---------------------------------------|---------------------------------------|---|
| Ability | Administrative Organization | Agricultural Education |
| Ability Bias | Administrator Attitudes | Agricultural Occupations |
| Ability Level | Administrator Education | Agricultural Production |
| Aboriginal | Administrator Guides | Agricultural Safety |
| Aboriginal Australians | Administrator Role | Agriculture |
| Absenteeism | Administrators | Agri-Food Sector |
| Academic Achievement | Admission Criteria | Alberta |
| Academic Achievement Motivation | Adolescent Development | Alien Labor |
| Academic Degrees | Adolescents | Alienation |
| Academic Disciplines | Adoption (Ideas) | Allowances (Pocket Money) |
| Academic Education | Adoption of Innovations | Alternative Assessment |
| Academic Failure | Adult | Altruism |
| Academic Freedom | Adult Attitudes | America |
| Academic Persistence | Adult Basic Education | American Indian Education |
| Academic Requirements | Adult Child Relationship | American Indian Students |
| Academic Standards | Adult Day Care | American Indians |
